Subject: CAT follow-up

Hi Lois, Kristi, Ralph, Dave, Damien:

Just following up to my message from last week (which was imbedded in the weekly notes reminder email). Please let me know when these three items have been added to the CAT, and if they are already in there, but I missed them, please send me the CAT project name. Thanks.

I've done a quick scan of CAT to see if all of these Hot Topics are in CAT and unless I missed them (always a possibility) it appears that the following items still need to get added to CAT.

OEP Related Regional Hot Topics – confirm these are in CAT (and update milestones)

Cape 208 Update	<i>ME Water Quality Penobscots</i>	Pilgrim
Cape Wind	Merrimack Station Permit	<i>PPA investment/disinvestment</i>
Charles River RDA	MS4 in MA and NH	SKC
Eliot, ME 126 petition	Municipal Water Permitting in non-delegated state	South Coast Rail
<i>GE Lynn NPDES</i>	New Bedford	SE NE Watershed
Lake Champlain TMDL	Northeast Gateway	Taunton
LIS Dredge Disposal		

Regards,

Paul
